

# 2021 ANNUAL REPORT

Sheltering Wings

SHELTERING-WINGS.ORG

Hello Partners, Yes, you are a vital partner with Sheltering Wings.

Amazing things are happening because you and many like you are giving liberally and impacting the nations. This is one of the reasons that I'm happy to serve Sheltering Wings. I know of no other organization that is as effective and efficient with the dollars I give. Not just lives, but destinies are being changed.

The whole world has been changed by the pandemic. Many churches, many missionaries, many groups have had to scale back. By God's grace and your active participation, Sheltering Wings has grown this past year. That is a phenomenal statement and cause for much rejoicing, and God used you to do it...

Children are attending school.

Orphans are being housed, loved and fed.

The gospel is advancing in parts of the Middle East, Europe and many nations of Africa. The growth in the number the new converts, has been so inspiring. Many are coming to Christ in an environment that means being cut off from family.

Widows are being supported.

Many, many families are receiving life giving 100 lbs bags of grain.

You are helping to drill wells to bring life giving water.

You are building churches to expand the good news of Jesus love.

It is the desire of all the Sheltering Wings Board and Staff to serve Jesus with you. We hope that III John 2 is true for you today, "Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers.

Bless you, Thank you!

## “ARE YOU READY TO GO...OR ARE YOU ALREADY THERE?”

When she moved to South India in 2017 to work as a full-time missionary, Hannah never imagined the amount of “non-ministry” work that would be involved in managing the business side of her ministry. After all, she had been called to share the love of Jesus by defending orphaned children, not to be an accountant, web designer, banker, mail clerk, etc....

Hannah needed to find help, she needed someone to take the administrative burden so she could be free to spend more of her time fulfilling her God-given mission. She was looking for administrative help. She found much more in Sheltering Wings.

Sheltering Wings operates as the home office for many missionaries and missionary families. We support these missionaries for years as they grow their ministries and impact their countries of service. Yes, we provide admin help. We also coordinate ongoing training, logistical help, security oversight, and care team coordination. And best of all, each missionary has a sense of family!

If you are already a missionary and need an organization to help, like Hannah, we can serve you. If you ever wondered how to go and fulfill the call to missions, we can help you get there.
