A LETTER FROM THE DIRECTOR

Dear Friends,

I would like to express my heartfelt gratitude to each one of you for your unwavering generosity and support throughout the past two decades. Your kindness and compassion have allowed us to continue our mission of caring for our missionaries and their mission to share the hope of Jesus.

We are living in extraordinary times, and your extraordinary commitment to responding to the needs of our missionaries and a hurting world gives us hope. Your contributions have allowed us to make a significant impact on the lives of many, and we are truly grateful for your partnership.

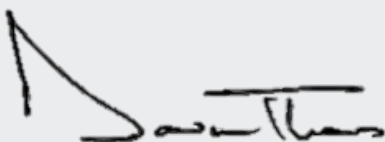

Our annual report for this year highlights the collective effort and dedication that has gone into restoring people into a right relationship with our Father in heaven. As we continue to work, we grow, learn, and adapt to meet the ever-changing needs of our missionaries and the communities they serve.

I invite you to learn more about our work, our missionaries, and our stewardship of donated funds. Your support has made a tremendous difference, and we hope that you will join us again in making an impact in 2023 and beyond.

Once again, thank you for your continued partnership and for inspiring us to carry out our mission. We could not do this without you!

With gratitude,

Dave Thomas

STORIES FROM THE FIELD

CHANGE

As security has changed in West Africa and we moved to the capital, we prayed for God to give us a new ministry where we were living. Another missions organization had an English as a Second Language ministry and desperately needed native English speakers to teach their classes. They asked us if we would consider it. We didn't know if it would be a long-term thing for us, but we wanted to give it a try. Little did we know, it would be an unforeseen blessing and we are still doing it four years later. Our students are made up of a variety of religious backgrounds and tend to be extremely educated. We have learned so many new things about the local culture.

We have been encouraged by our students at the end of each class when we open our Bibles and have English discussions about the Word of God. Twice a week, we get to present the gospel in a non-threatening way using English as the gateway.

ABUNDANT LOVE

The requests for help never cease & despite being sidelined due to illness, unable to travel and do any fundraising...Our God is amazing!

We praise God for His abundant love and prayers answered. Unsolicited donations made it possible for us to build a home for two deserving widows whose mud house collapsed during the heavy rains. You can tell by their smiles how happy they are for their new, safe house. We look forward to returning to our mission sites, we are so very thankful for our donors and to see the Hand of God at work whether we are physically there or not. All for the glory of God!
